## Bicycle Rally & Scavenger Hunt Fun With or Without Bicycles

This year's Bicycle Rally and Scavenger Hunt, scheduled for October 4, will start and end at Marmion Park. Even non-riders can enjoy the picnic and live music party that will celebrate the end of the rally.

Rally participants will bicycle a 20-mile course through the Heights, Northside, Eastend, Harrisburg, Downtown, 6th Ward, and Norhill. The route is on City of Houston bike trails. Each entrant will be issued a rally card, a rally map, and a scavenger hunt clue list. Participants may start anytime after 7:30 AM. This is not a race! Riders under 12 years of age must wear helmets.

To be eligible for prizes, riders must return their validated rally cards to the registration table before 4:00 PM. Rally cards are validated when riders pass the midway checkpoint/water station.

The scavenger hunt clue list will describe mystery sights and objects that can be seen from the rally route. Prizes will be awarded to the person that finds the most mystery items.

Awards and prizes will be made at the end-of-rally party starting at about 4:30 PM. There will be free popcorn, water, and soft drinks with the live music.

Registration for the event is \$15.00 for adults, \$7.50 for children (under 12 years old) that register before October 1. After that date, the fee is \$20.00 for adults and \$10.00 for children.

## Announcing Opening of Council Member Ed Gonzalez's District H Satellite Office

Houston City Council Member Ed Gonzalez wants to get to know his constituents better. He is pleased to announce that he has opened a satellite office in the Historic Houston Heights Fire Station on the first level at the southeast corner. The first meeting with Council Member Gonzalez was held from 5:00 to 7:00 PM on August 10, prior to the Houston Heights Association General Meeting.

You will now be able to come by and meet with the Council Member. Bring him your ideas and concerns about your neighborhoods that make up District H. The office will be open the 2nd Monday of the month from 5:00 to 7:00 PM before the HHA general meetings and fourth Mondays from 8:00 AM to Noon.

Knowing your Councilmember is a real plus for all community organizations and residents who experience problems with services within their communities. Laura Thorp, Councilmember Gonzalez's Community Liaison, will staff this office when open, but the Council Member also plans to be available from 9:00 to 11:00 AM on the fourth-Monday openings and 5:00 to 7:00 PM during the evening hours prior to the HHA General Meetings. Depending on the popularity of this project, hours could be extended.

## District H Town Hall Meetings

Council Member Ed Gonzalez will host a District H Town Hall Meeting on Thursday, Sept. 10, at Reagan High School from 6:00 to 8:00 PM to which you, your family, and friends are all invited!

The goal of these forums is to discuss various issues that are directly affecting residents of the district and to have an open discussion with the council member. Please feel free to invite other family, friends, and neighbors to this event. Your participation is critical; together we can work towards improving the quality of life for all of District H. ## Spotlight on Heights Business Member: Cover Your Windows

*We continue with the newsletter feature "Spotlight on Heights Business Member," this month spotlighting Cover Your Windows. You may have noticed that recent newsletter issues have been focusing on a local business. These businesses are drawn from business cards collected at the Houston Heights Association Business Mixer. Stay tuned for the next quarterly mixer in October.*

Sandra Crook owns Cover Your Windows. Sandra is a native of Houston and grew up in the southwest part of town. She attended Texas A&M University, married, and moved back to Houston. Sandra had her first career in the banking industry, then took advantage of an opportunity to open her own concierge service prior to landing in her current business four years ago. Her favorite part of what she does is getting to see inside some "really cool houses." She loves learning the history of the Heights houses.

Sandra moved to the Heights area ten years ago and loves living here. She serves the Houston area and feels lucky to have more than half of her customers right here in the Heights. 2006 Spring Home Tour Chair and friend Kathy Russell recruited Sandra to volunteer for the Spring Home Tour committee. Sandra joined the Heights Association as a business member in 2003.

Sandra does both residential and commercial projects. You may have toured the most recent spring tour home of Lamar Matthews and David Douglas and seen Sandra's work in the new master addition or the Broman home two years ago featuring woven woods from Sandra in the dining room. The Joy Yoga studio on Washington Avenue features solar roller shades from Cover Your Windows to block out the heat.

Sandra's most popular window coverings are plantation shutters, Hunter Douglas Duettes, and shades that will reduce power bills by 30%. One of the "cooler" products available is a remote-controlled shade operated by programming the customer's existing TV remote. Sandra saves her customers a trip to the big box stores by meeting with the client in their home.

Away from Cover Your Windows, Sandra and her husband Bryan enjoy traveling, entertaining in their home and gardening. She is an 18-year member of the Houston Livestock Show and Rodeo and currently has a three-year volunteer commitment as the Chairman of the Trailblazer Committee. This committee markets the rodeo and honors the ladies who volunteer for the rodeo. Sandra will be especially busy in February chairing their Trailblazer Luncheon and Fashion Show, and she also chairs the "Ladies' Night Out" event during the show.

Next time you need window coverings, please support Heights business member Cover Your Windows for your residential and commercial needs. If you are a business member, remember to check the calendar for the next Houston Heights Association Business Mixer and come and meet Sandra and other business members at the meeting.

## Holiday Home Tour - A Sneak Preview of This Year's Lucky Seven Homes

by Chair Katrina Price Stilwell and Co-Chair Amy Brooks

Nothing says "home" quite like the wonderful work of iconic artist Norman Rockwell, who brought to life images of families happily celebrating the holidays in a way that was simple, charming, and full of warmth. This year's "Home for the Holidays" theme strives to capture those very same images through the mix of old, new, and restored homes that will be on display for all to enjoy. From the unassuming façade of an 1898 bungalow that stuns from the front door in to the surprisingly serene setting of Fort Robert, a new home built with authentic Spanish hacienda styling, there is something here for everyone.

The Heights promises to showcase the seven (you heard that right, *seven!*) homes in quintessential Heights style. We've been pleased and amazed at the number of volunteers who have continued to support their neighborhood (*hint, hint*) by sending a simple e-mail to [holidaytour@houstonheights.org](mailto:holidaytour@houstonheights.org) to be added to the volunteer database. As home tour flow plans are arranged, trolley/shuttle routes planned, and decorating needs assessed, we are looking to you to make this year's tour one of the best ever.

Who are you helpful volunteers-to-be?

- You are currently cleaning out the attic or that storage unit you finally realized you have no need for and have extra holiday decorations. Donate them to the Holiday Home Tour!
- You are capable of standing or sitting for three short hours in one entire year to welcome neighbors and wannabe neighbors into someone else's home. You might even recount a short list of facts (though I've seen others make these up) about the house or the room you're in. We call you "docents."
- You know florists or Boy Scout troops who sell or arrange holiday greenery who are feeling very generous to the Heights. [Or maybe *you* are feeling generous and want to *underwrite* those arrangements for these amazing homes. Note: between two and three *thousand* tour-goers visited each home on the tour last year. Think of the advertising possibilities...]

Well, we've got more cheer to spread, so we should be running along now...

Oh! You want the *list!* The envelope, please...

- The Pumpkin House owned by Bill & Amydell Beardshall at 1648 Harvard
- The Longstreth Maloney Home owned by Paul Longstreth & Marilyn Maloney at 537 Cortlandt
- The Booth Home owned by Daniel & Kelly Booth at 1132 Rutland
- The Watkins Home owned by Roger & Catherine Watkins at 816 Arlington
- The Sanchez Bungalow owned by Eddie and Elizabeth Sanchez at 832 Allston
- Fort Robert owned by Robert Coreale at 713 Waverly
- The Otto House owned by Mark & Linda Gonzales at 835 Rutland

Simple, charming and full of warmth, that's the Heights! Help us prove it by telling all of your friends to mark their calendars now for December 4, 6:00 to 9:00 PM and December 5, 3:00 to 9:00 PM. See you there!

The schedule for the election of Directors to serve terms starting in 2010 will be as follows, in accordance with the By-Laws and Policies of the Association:

## Restoration Meeting

The next Houston Heights Association Restoration/ Historical Committee meeting will be held at 1626 Cortlandt St. on Thursday, October 15 from 7:30 to 9:30 PM.

October is the month for Halloween with all its stories and legends of ghastly things. Here in the Houston Heights there have been a number of stories, some of which have been true, which took place in historic homes. For October, we will visit a home that has been gently renovated with additions and enhancements contributing to the homey, eclectic style we all enjoy. And truly, a “deed was done within.”

Watch for more details in the October newsletter.

## Sidewalk Repairs

The City Department of Public Works and Engineering is improving sidewalks in the areas described below. The contractor for this project is Metro City Construction LP. Work is scheduled to end on January 31, 2010. You may not see any activity by the contractor for several weeks, due to the contractor getting prepared to perform work, which includes procurement of materials and equipment, setting up staging areas, or working in other areas in the project.

Streets involved in construction include Heights from 14th to 15th, E. 13th from Cortlandt to Beverly, W. 13th from Dorothy to Herkimer, and N. Shepherd from 12th to 13th.

## Bulldogs Ready to Prove Themselves on Gridiron

On Saturday, August 15, the Reagan Bulldogs started their 2009 football season with a scrimmage against Furr HS on the Reagan athletic field. Bulldog supporters and the Heights community were among the spectators cheering on both varsity and junior varsity (JV) teams as they worked out their plays in preparation for their season openers.

Kickoff for the 2009 varsity season will take place at 6:00 PM on Saturday, August 29 when the Bulldogs take on Milby HS at Barnett Stadium. The JV season begins two days earlier on Thursday, August 27 with a 4:30 PM game against Milby on Reagan's field.

"In addition to the scrimmages, we have four JV home games scheduled on our field this season," notes Head Coach Stephen Dixon. "We encourage the community to come watch 'home town' football and join other Bulldog fans in Reagan's Dawg Pound!"

Reagan's athletic field is accessible from both 13th and 14th Streets. There is no entrance fee to attend JV games; additional parking is available in the 13th Street lot. Advance tickets for HISD varsity games may be purchased in the Main Office for a \$2 discount (\$2 students/\$4 adults). For more information about Reagan's football season, please visit [www.jhreagan.org](http://www.jhreagan.org).

## National Night Out

The Houston Heights Association in conjunction with the Milroy Park Advisory Council and the City of Houston Parks and Recreation Department invite you to participate in National Night Out activities on Tuesday, October 6 from 6:00 to 8:00 PM at Milroy Park. Milroy Park is located at 1205 Yale, on the northwest corner of 12th and Yale Streets, across Yale from the Fire Station. Turn on your porch lights and come meet your fellow Heightsites in Milroy Park.

National Night Out is designed to: (1) heighten crime and drug prevention awareness; (2) generate support for, and participation in, local anti-crime programs; (3) strengthen neighborhood spirit and police-community partnerships, and (4) send a message to criminals letting them know neighborhoods are organized and fighting back. Celebrated across the country on the first Tuesday evening in August, the observation of National Night Out in Texas was moved to October last year to avoid our August heat.

We also encourage all area residents to plan and attend local block parties with their neighbors. See <http://www.nationaltownwatch.org/nno/> for information about planning local parties. Then join us in Milroy Park before or after your local party.

The Milroy Park celebration is being planned by members of the HHA Crime & Security Committee and the MPAC. If you want to help in the planning or execution, please contact Acting Chair Mark Williamson at [editor@houstonheights.org](mailto:editor@houstonheights.org), and plan to join us at the next C & S meeting on Tuesday, September 22, 6:30 PM at the Fire Station.
